Ricks

Coffee would go well with that.

Our Coffee

We take our coffee seriously. Every cup at Ricks is made with beans from ***Machina****, Edinburgh's speciality roasters, who roast just behind Arthur's Seat, a short way from here. They buy seasonally, with much of their coffee sourced directly from the farmers who grow it, so every cup can be traced back to its origin and often to the grower. We grind fresh for every cup.*

Our house espresso blend:
Bossa Nova, Brazil · Karambi, Uganda · Mandheling, Sumatra
